

Postal Regulatory Commission

§ 3010.44

(3) A representation or evidence that public notice of the planned changes has been issued or will be issued at least 45 days before the effective date(s) for the proposed new rates; and

(4) The identity of a responsible Postal Service official who will be available to provide prompt responses to requests for clarification from the Commission.

(b) A statement identifying all parties to the agreement and a description clearly explaining the operative components of the agreement.

(c) Details regarding the expected improvements in the net financial position or operations of the Postal Service. The projection of change in net financial position as a result of the agreement shall include for each year of the agreement:

(1) The estimated mailer-specific costs, volumes, and revenues of the Postal Service absent the implementation of the negotiated service agreement;

(2) The estimated mailer-specific costs, volumes, and revenues of the Postal Service which result from implementation of the negotiated service agreement;

(3) An analysis of the effects of the negotiated service agreement on the contribution to institutional costs from mailers not party to the agreement; and

(4) If mailer-specific costs are not available, the source and derivation of the costs that are used shall be provided, together with a discussion of the currency and reliability of those costs and their suitability as a proxy for the mailer-specific costs.

(d) An identification of each component of the agreement expected to enhance the performance of mail preparation, processing, transportation or other functions in each year of the agreement, and a discussion of the nature and expected impact of each such enhancement.

(e) Details regarding any and all actions (performed or to be performed) to assure that the agreement will not result in unreasonable harm to the marketplace.

(f) Such other information as the Postal Service believes will assist the Commission to issue a timely deter-

mination of whether the requested changes are consistent with applicable statutory policies.

§ 3010.43 Data collection plan.

The Postal Service shall include with any notice of agreement a detailed plan for providing data or information on actual experience under the agreement sufficient to allow evaluation of whether the negotiated service agreement operates in compliance with 39 U.S.C. 3622(c)(10). The data report is due 60 days after each anniversary date of implementation and shall include, at a minimum, the following information for each 12-month period the agreement has been in effect:

(a) The change in net financial position as a result of the agreement. This calculation shall include for each year of the agreement:

(1) The actual mailer-specific costs, volumes, and revenues of the Postal Service;

(2) An analysis of the effects of the negotiated service agreement on the net overall contribution to the institutional costs of the Postal Service; and

(3) If mailer-specific costs are not available, the source and derivation of the costs that are used shall be provided, including a discussion of the currency and reliability of those costs, and their suitability as a proxy for the mailer-specific costs.

(b) A discussion of the changes in operations of the Postal Service that have resulted from the agreement. This shall include, for each year of the agreement, identification of each component of the agreement known to enhance the performance of mail preparation, processing, transportation, or other functions in each year of the agreement.

(c) An analysis of the impact of the negotiated service agreement on the marketplace, including a discussion of any and all actions taken to protect the marketplace from unreasonable harm.

§ 3010.44 Proceedings for Type 2 rate adjustments.

(a) The Commission will establish a docket for each Type 2 rate adjustment filing, promptly publish notice of the filing in the FEDERAL REGISTER, and

§ 3010.60

39 CFR Ch. III (7–1–12 Edition)

post the filing on its Web site. The notice shall include:

(1) The general nature of the proceeding;

(2) A reference to legal authority to which the proceeding is to be conducted;

(3) A concise description of the planned changes in rates, fees, and the Mail Classification Schedule;

(4) The identification of an officer of the Commission to represent the interests of the general public in the docket;

(5) A period of 10 days from the date of the filing for public comment; and

(6) Such other information as the Commission deems appropriate.

(b) The Commission shall review the planned Type 2 rate adjustments and the comments thereon, and issue an order announcing its findings. So long as such adjustments are not inconsistent with 39 U.S.C. 3622, they may take effect pursuant to appropriate action by the Governors. However, no rate shall take effect until 45 days after the Postal Service files a notice of rate adjustment specifying that rate.

(c) Commission findings that a planned Type 2 rate adjustment is not inconsistent with 39 U.S.C. 3622 are provisional and subject to subsequent review.

Subpart E—Rules for Rate Adjustments in Exigent Circumstances (Type 3 Rate Adjustments)

§ 3010.60 Applicability.

The Postal Service may request to increase rates for market dominant products in excess of the annual limitation on the percentage changes in rates described in § 3010.11(d) due to extraordinary or exceptional circumstances. Such requests will be known as exigent requests.

§ 3010.61 Contents of exigent requests.

(a) Each exigent request shall include the following:

(1) A schedule of the proposed rates;

(2) Calculations quantifying the increase for each affected product and class;

(3) A full discussion of the extraordinary or exceptional circumstance(s)

giving rise to the request, and a complete explanation of how both the requested overall increase, and the specific rate increases requested, relate to those circumstances;

(4) A full discussion of why the requested increases are necessary to enable the Postal Service, under best practices of honest, efficient and economical management, to maintain and continue the development of postal services of the kind and quality adapted to the needs of the United States;

(5) A full discussion of why the requested increases are reasonable and equitable as among types of users of market dominant products;

(6) An explanation of when, or under what circumstances, the Postal Service expects to be able to rescind the exigent increases in whole or in part;

(7) An analysis of the circumstances giving rise to the request, which should, if applicable, include a discussion of whether the circumstances were foreseeable or could have been avoided by reasonable prior action; and

(8) Such other information as the Postal Service believes will assist the Commission to issue a timely determination of whether the requested increases are consistent with applicable statutory policies.

(b) The Postal Service shall identify one or more knowledgeable Postal Service official(s) who will be available to provide prompt responses to Commission requests for clarification related to each topic specified in § 3010.61(a).

§ 3010.62 Supplemental information.

The Commission may require the Postal Service to provide clarification of its request or to provide information in addition to that called for by § 3010.61 in order to gain a better understanding of the circumstances leading to the request or the justification for the specific rate increases requested.

§ 3010.63 Treatment of unused rate adjustment authority.

(a) Each exigent request will identify the unused rate authority for each class of mail as of the date of the request.

(b) Pursuant to an exigent request, increases may use accumulated unused
